Sir/Madam

Sequel to the text message sent yesterday, 6/02/13, I am directed to write and reiterate that the course E.N.T.882: Project Finance and Budgeting no longer bears the code stated above. It is now M.B.F. 820.

Please note that registered students for the course with T.M.A's are required to seat for the exam slated on Wednesday 13th February 2013.

Please notify concern students.

Thank you.
