

Open and distance learning is said to be flexible because

Students can learn wherever they are at any point in time

The maiden educational programme on television produced by State University of Iowa was between

1932 and 1934

What was the result of the combination of philosophy of open learning and distance education?

Open and distance education

How many distance learners are represented in the diagram above?

8

What is the role of computer technology in effective sharing of information among these learners?

Interconnectivity

Which of the following media is NOT computer-based interactive media?

Interactive radio

Which of the following media is NOT computer-based interactive media?

Interactive radio

An example of non-interactive video based media is

Television broadcast

The type of learning interactivity of distance education students shown on the diagram is

Learner-to-learner

The openness in open and distance learning lies in the characteristics of

People, place and pace

What gives the nature of population of learners in distance education institution?

Learners' demography

Mr. Bako's age range is between 41 and 50, what percentage of this age range undergo distance education?

20

The percentage of open and distance learners' employment status is 30. What is employment status of Hajia Damboa if she belongs to this group?

Unemployed

Who jointly agreed that young adults from 16 to 31 form the majority of open and distance learning institution?

Gao and Ademola

Which of the following does NOT involve dialogical ability?

Debating and keeping ideas

The responsibility for locating, reading and understanding the expectations involved rests on

e-learners

Hearing is said to be a physiological process, this means that it is

Passive and physical

Which of the following is NOT a way by which a speaker communicates non-verbally?

Spoken cues

How would you make a speaker feel free to speak to you?

Empathize with the speaker

For which major purpose do students listen?

Academic

Critical listening involves

Evaluating received messages

What type of listening is this ODL student displaying when receiving a message from her facilitator on phone?

Active

The method of note taking by which Yunusa writes every topic or new thought on separate lines that are often numbered is called

Sentence

What type of speaking puts the onus on the speaker to influence the listener?

Persuasive

The aspect of speaking that deals with the phonological process is

Pronunciation

Reading for information will help you to do the following EXCEPT

Identify and disorganise important points

Who asserted that learner support contributes to the reduction of drop-out rate through students guidance and counseling, tutor support and affective

information?

Bowa

The major perennial issue in open and distance learning institution is the

Feeling of isolation

Which of the following is NOT the support function of the library to ODL students?

Students becoming information illiterate

Which group of staff provides the e-examination supports to students in National Open University of Nigeria?

Information Communication technology

Who is the head of a Study Centre in National Open University of Nigeria?

Director

Teaching and learning activities contain the following EXCEPT

Access to information technology

Component of teaching practice assessment indicator that deals with level of attainment of lessons objectives is

Evaluation

The report of SIWES undertaken by Joe must contain the following EXCEPT

Specific works undone identified for necessitate going back

Mr Adejo conducts tests, administers questionnaires and carries out interviews on the students in a particular semester. These processes are collectively called

Assessment

Computer and information technology moves open and distance education into an unenviable height. True or False? \_\_\_\_\_

\*False\*

A good listener clarifies issues before the speaker finishes talking. True or False? \_\_\_\_\_

\*False\*

\_\_\_\_\_ is the period when distance learners have face-to-face interaction with university appointed instructors to help in the process of content digestion

\*Facilitation\*

The minimum credit load a NON student can register for is 16. True or False? \_\_\_\_\_

\*False\*

A four-unit course is bid to be facilitated for 12 hours. True or False? \_\_\_\_\_

\*False\*

Teaching and learning services contain quick turnaround and tutorial marking.  
True or False? \_\_\_\_\_

\*True\*

Record management and book services are information services that Crain an OFDL student should automatically obtain. True or False? \_\_\_\_\_

\*True\*

Academic support consists of explaining the course and defining learning skills.  
True or False?

\*True\*

Provision of an environment that support Dele, creates community and reduces self-esteem. True or False? \_\_\_\_\_

\*false\*

Tait saw learners support services as the resources that learners can access in order to carry out learning process. True or False? \_\_\_\_\_

\*true\*

Physical science experimental report should contain at least 6 titles. True or False? \_\_\_\_\_

\*False\*

Supervision and leadership role played in a project must be briefly reported.  
True or False? \_\_\_\_\_

\*True\*

One of the responsibilities of the students undertaken SIWES is to arrange their own accommodation during the period of the attachment. True or False? \_\_\_\_\_

\*True\*

Control and discipline of students undergoing SIWES is concerned with the institution. True or False? \_\_\_\_\_

\*False\*

\_\_\_\_\_ are field experiences that allow a student to observe how working professionals perform their responsibilities.

\*Practicums\*

In practicum, students are made to record data or assisting with tasks as directed by on-site personnel. True or False? \_\_\_\_\_

\*True\*

The acceptable referencing style the NOUN students use to cite site materials for their project work is \_\_\_\_\_

\*APA\*

Population and sampling are parts of the introduction aspect of research project report of NOUN students. True or False? \_\_\_\_\_

\*True\*

\_\_\_\_\_ courses are not assessed through regulated examination but on criteria set on every aspect of students skill development.

\*Non-examinable\*

Examiners are looking for how much you can memorize facts and to what extent you can put down the ideas. True or False? \_\_\_\_\_

\*False\*

All postgraduate courses are examined only using Pen-on-paper. True or False?

\_\_\_\_\_

\*False\*

The tutor-marked assignments of National Open University of Nigeria students are mainly \_\_\_\_\_ based.

\*Electronically\*

Examination in distance learning institutions is meant to serve the purposes of certification, selection and accountability. True or False? 0000\_\_\_\_\_

\*True\*

Activities of self-assessment enables learners to know his/her understanding of what had been studied and have reflection on content covered. True or False?

\_\_\_\_\_

\*True\*

The shift in which students know what the targets are and how he/she effectively evaluate performance is called \_\_\_\_\_

\*Pragmatic\*

The mode of assessments which are built into the instructional processes are \_\_\_\_\_

\*Self\*

Assessment that is taking as a field of study and on which one can have in-depth knowledge is \_\_\_\_\_

\*Assessment as learning\*

Assessment for learning is otherwise referred to as summative assessment. True or False? \_\_\_\_\_

\*False\*

\_\_\_\_\_ is the confirmation of certain characteristics of an object, person, or organization.

\*Certification\*

The role of assessment to make a decision that results in a learner being assigned to one of several different but unordered categories, jobs or programme is \_\_\_\_\_

\*Classification\*

The body that responsible for rejection or selection of students for admission to Nigerian universities is \_\_\_\_\_

\*JAMB\*

Assessment in ODL is mainly meant for students to earn grade and helpful for monitoring of the effectiveness of academic programmes. True or False? \_\_\_\_\_

\*False\*

Being sure that the assessment techniques you select match each learning objective is a guiding principle for meaningful assessment. True or False?

\_\_\_\_\_

\*True\*

The full meaning of AWOL military term is \_\_\_\_\_

\*Absent without Leave\*

What type of learning is Kudirat undergoing when she works through the problem by herself to infer meaning to the concept being taught?

\*Deducing\*
